	TRANSFER CREDIT SUMMARY
STUDENT NAME:	
CUMULATIVE TRANSFER CREDIT TOTAL: 61.00	
STUDENT ATTRIBUTES	
• TR Associate Degree	

• The sections of the summary will vary based on the source of transfer credits. The example below displays a student who earned 6 transfer credits from high school Advanced Placement (AP) courses, and 4 credits from another university, (credits indicated in the red boxes below). The sum of the "Total WCU Credit Hours" for multiple sources of credits should equal the "Cumulative Transfer Credit Total" (also in a red box below, in the top left section of the summary).

• Some awarded credits might be "grouped" which is indicated by "GRP". Courses that are grouped together show one external course equivalent to two or more WCU courses. In these cases, the GRP courses are simply duplicated on more than one line, however, that does not mean the credit was awarded multiple times (see note at bottom of the Summary):

Fall 2024	ACCT	106	4 (GRP*)	A	Principles of Accounting II	ACC	202	3	т	Managerial Acct
Fall 2024	ACCT	106	4 (GRP*)	A	Principles of Accounting II	TRN	199	1	т	General Transfer Credits
Total WCU Credit Hours: 62.00										
*GRP in the External Credit Hours column indicates that this course has been "grouped together" with another course to be equivalent to the WCU course(s). You may see intentional duplication of external courses (this does not mean credits were counted more than once). The External Gredit Hours with "GRP" are not counted individually in the total credit hours. Please review the Total WCU Credit Hours for total credits transferred.
