First Club Meeting!

Our first club meeting was held on 9/14. This was the first in-person meeting we have held since February 2020! This was very exciting for the club. We had a pizza party and talked about some of the upcoming events that the club had planned for this semester. Such as, the bake sale, clothing order, adopt-a-block, and our guest speaker.

Bake Sale

Kisses for Kyle

Our fundraiser this month raised money for Kisses for Kyle which is an organization out of the Delaware Valley that provides financial assistance, and other benefits for the families of children battling pediatric cancer. We had many homemade goodies from members of our club. We raised almost \$350 for this organization!

Guest Speaker

Mike Schiavone

On September 30th, we hosted our first guest speaker of the year! Mike Schiavone has worked in many clinical settings such as orthopedic, collegiate, and military settings! He also hosts leadership workshops. We had around 30 students attend this event. Thanks, Mike for coming to talk to us!!
